KITTY HALL RETURNS TO BAINBRIDGE ISLAND CITY HALL FOR ADOPTION EVENT

Bainbridge Island, Wash., (August, 2018) – The City of Bainbridge Island is partnering with the Kitsap Humane Society (KHS) to host a Kitty Hall adoption event on Tuesday, August 28 from 12 to 3 p.m. in the Council Chamber.

During the one-day Kitty Hall event, cats and kittens will be available for adoption for reduced adoption fees. The public is invited to play and cuddle with the cats and kittens available for adoption. KHS representatives will be available to answer questions about cat ownership and to match adopters with the right kitten to take home.

There were 15 kittens adopted during last year's Kitty Hall event, including Roo, that was adopted by City Planner Olivia Sontag. "Over the years, we've adopted many of our pets from KHS, but this adoption was by far the most memorable," said Olivia Sontag. "It was so much fun being able to enjoy the experience among friends, co-workers and community members. It's impossible not to fall in love."
