BAINBRIDGE ISLAND PARKING STUDY OPEN HOUSE ON OCTOBER 12

Bainbridge Island, Wash., (October, 2017) – The City of Bainbridge Island invites members of the public to attend a Bainbridge Island Parking Study Open House on Thursday, October 12 from 6:30 PM to 8:00 PM at the Waterfront Park Senior Community Center.

The Open House will be an opportunity for members of the public to learn about the project's progress, see results of the online survey and data collection, and to share feedback on initial parking management strategies. This event is the next step in a study to analyze the on- and off-street parking system in Downtown Bainbridge Island.

More information on the study can be found on the [Downtown Parking Study](#) page on the City website, or by contacting Chris Hammer, Engineering Manager at chammer@bainbridgewa.gov or 206.780.3740.
