Bainbridge Island, WA 98110-1812

Dear Mayor ~~Medina~~ <sup>Kol</sup>:

Congratulations! The Puget Sound Regional Council has selected the following project to receive Transportation Alternatives program funding.

PROJECT	PHASE	AWARD AMOUNT	FUNDING DEADLINE
Olympic Drive Non-Motorized Improvement Project	Construction	\$ 878,320	June 1, 2018

Your project was one of 12 projects that were approved by PSRC's Executive Board in January 2018 to receive a total of \$17.5 million in federal funding. There is strong demand for resources to build bicycle, pedestrian and other community-based transportation improvements in the region. During this round of funding, PSRC received a total of 64 applications requesting approximately \$76 million.

Securing federal transportation funding for communities in the region is one of the most important responsibilities of the Puget Sound Regional Council. Through our merit-based project selection process, PSRC ensures that federal transportation funds are put to work on priority projects that meet local needs and help achieve the region's long-term goals for transportation, economic development and growth planning.

We appreciate your leadership and great work by your staff to help this project succeed. Together we're building a better system that provides transportation choices and enhances communities. I look forward to continuing to partner with you on efforts to help the region thrive for the long term.

Warm regards,

Josh Brown  
Executive Director  
Puget Sound Regional Council
