

HIGH SCHOOL YOUTH EVENT

Curious about how decisions get made on Bainbridge Island? Want to share your ideas about what matters to teens in our community?

Join us for an afterschool event where you'll meet City Council members, connect with City staff, and talk about how local government can better serve youth. This is your chance to ask questions, share ideas, and see how City government works from the inside. You'll also have the opportunity to attend the City Council meeting afterward and see local government in action.

WHAT TO EXPECT

- Meet City leaders
- Share your ideas for youth programs
- Learn how local government works
- Snacks, dinner, and swag
