MENTAL HEALTH DEFERRED PROSECUTION

This packet includes the preferred forms for a Deferred Prosecution based on a mental health condition alone. If there is a combined diagnosis that includes alcoholism/ drugs and mental health, please use the packet that includes alcoholism, drugs and mental health. The order granting the deferred prosecution is included in the packet so that a defendant may review it prior to the hearing. The Court prefers that these forms are used and that petitions are not submitted on attorney letterhead.

The mental health provider checklist is designed as a guide for the provider. It explains responsibilities of the treatment provider and makes sure the court has the necessary information to grant and supervise the mental health deferred prosecution program. Please make sure your treatment provider has this checklist before conducting their evaluation and preparing the report for the court.

MENTAL HEALTH DEFERRED PROSECUTION CHECKLIST

I am the defendant in this case and I petition the court for deferred prosecution under RCW Chapter 10.05 for the following crime(s): _____
I make the following statement in support of my petition:

1. Wrongful Conduct. The wrongful conduct charged is the result of or caused by substance use disorders mental problems, for which I need treatment.
2. Probability of Future Recurrence. Unless I receive treatment, the probability is great that I will offend again.
3. Costs of Program. I agree to pay the cost of diagnosis and treatment if I am financially able to do so.
4. Not Innocent and Need Treatment. I understand that the court will not accept a petition for deferred prosecution from a person who (i) sincerely believes that he or she is innocent of the charges, or (ii) sincerely believes that he or she does not, in fact, suffer from alcoholism, drug addiction, or mental problems.
5. No Previous Title 46 Deferred Prosecution. If this charge is a violation of Title 46 or similar municipal ordinance, I have not previously been placed on a deferred prosecution for a Title 46 or similar municipal ordinance violation.
6. Case History and Assessment. I have filed with this petition a case history, and written assessment prepared by an approved substance use disorder treatment program if the petition alleges a substance use disorder or by an approved mental health center if the petition alleges a mental problem.

7. A. My Rights. I acknowledge that I have the following rights to:
- (a) Have a lawyer represent me at all hearings;
 - (b) Have a lawyer appointed at public expense if I cannot afford one;
 - (c) Have a speedy, public jury trial;
 - (d) Appeal any conviction;
 - (e) Remain silent and not testify;
 - (f) Question witnesses who testify against me;
 - (g) Call witnesses to testify for me, at no cost;
 - (h) Be presumed innocent unless the charge(s) against me is (are) proved beyond a reasonable doubt; and
 - (i) Present evidence and a defense.
- B. Waiver of My Rights. By deferring prosecution on my charge(s), I acknowledge and waive my right to:
- (a) A speedy trial;
 - (b) A jury trial;
 - (c) Testimony on my own behalf;
 - (d) An opportunity to call witnesses to testify;
 - (e) An opportunity to question witnesses; and
 - (f) Present evidence or a defense.
8. Agree and Stipulate to Facts in Police Reports. I agree and stipulate that the facts as reported in the written police report(s) are admissible and the facts are sufficient to support a conviction on the charge(s). I acknowledge that my statement will be entered and used to support a finding of guilty if the court finds cause to revoke the order granting deferred prosecution.
9. Sentence if Found Guilty. If my deferred prosecution is revoked and I am found guilty, I may be sentenced up to the maximum penalty allowed by law.
10. Treatment Rights if No Deferred Prosecution. If I proceed to trial and I am found guilty, I may be allowed to seek suspension of some or all fines and incarceration that may be ordered upon the condition that I seek treatment. I understand that I may seek treatment from a public or private agency at any time, whether or not I have been found guilty or placed on deferred prosecution.
11. Deferred Prosecution May Enhance Mandatory Penalties for a Subsequent Offense. For some crimes, a deferred prosecution will enhance mandatory penalties for subsequent offenses committed within a seven-year period. I understand that a deferred prosecution will be a prior offense under RCW 46.61.5055 (driving under the influence, physical control of a vehicle under the influence, negligent driving if originally charged as driving under the influence or physical control of a vehicle under the influence, vehicular homicide, or vehicular assault).

12. A. Commercial Vehicle. If the court defers prosecution on any crime that would be a violation of state law or local ordinance relating to motor vehicle traffic control, I will be disqualified from driving a commercial motor vehicle for the period specified in RCW 46.25.090 and, if I drive a commercial motor vehicle holding a license issued by Washington State, I will be required to notify the Department of Licensing and my employer of this deferred prosecution within 30 days of the judge granting this petition. RCW 46.25.030.
- B. Valid Operator's License and Insurance. If the court defers prosecution, I may not operate a motor vehicle on the public highways without a valid operator's license and proof of liability insurance pursuant to RCW 46.29.490.
- C. Ignition Interlock if Alcohol Dependency. If my wrongful conduct is the result of or caused by alcohol dependency, I shall also be required to install an ignition interlock device under RCW 46.20.720. The required periods of interlock use shall be not less than the periods provided for in RCW 46.20.720, and subject to certification from the ignition interlock device vendor. RCW 46.20.720(4).
- D. Financial Obligations. I may also be required to pay restitution to victims, pay court costs of \$250, and pay probation costs of \$750, (and BAC fee of \$250 and emergency response costs if substance abuse related.) I will be required to make regular monthly payments of at least \$50 per month, unless payments are set at a lower amount by the court, until costs are paid in full.
- E. Additional Court-Ordered Conditions. To help ensure continued sobriety, and to reduce the likelihood of re-offense, the court may order reasonable conditions during the period of the deferred prosecution including, but not limited to, attendance at self-help recovery support groups for alcoholism or drugs, attendance at a DUI Victim impact panel, complete abstinence from alcohol and all non-prescribed mind-altering drugs, periodic urinalysis or breath analysis, domestic violence perpetrator's treatment, anger management, and maintaining law-abiding behavior. Substance use disorder treatment programs shall require a minimum of two self-help recovery groups per week for the duration of the treatment program.

The court may terminate the deferred prosecution program if I violate any of these conditions.

13. Travel Outside Washington State. If the court grants this petition, during the period of deferred prosecution I will be required to contact my probation officer, the probation director or designee, or the court if there is no probation department, to request permission to travel or transfer to another state if my wrongful conduct involves: (i) an offense in which a person has incurred direct or threatened physical or psychological harm; (ii) an offense that involves the use or possession of a firearm; (iii) a second or subsequent misdemeanor offense of driving while impaired by drugs or alcohol; (iv) a sexual offense that requires me to register as a sex offender in Washington state. I understand that I will be required to pay an application fee with my travel or transfer request.

14. Removal from Deferred Prosecution Program. If I fail or neglect to comply with any part of my treatment plan or with any ignition interlock device requirements, then the court will hold a hearing to determine whether I should be removed from the deferred prosecution program. After the hearing, the court will either order that I continue with treatment or be removed from deferred prosecution and enter judgment. If I am convicted of a similar offense during the deferred prosecution, the court will revoke the deferred prosecution and enter judgment.

15. Dismissal of Charge(s) Following Successful Compliance. The court will dismiss the charge(s) against me in this case three years from the end of the two-year treatment program and following proof to the court that I have complied with the conditions imposed by the court following successful completion of the two-year treatment program, but no less than five years from the date the deferred prosecution is granted, if the court grants this petition and if I fully comply with all the terms of the court order placing me on deferred prosecution.

I certify under penalty of perjury under the laws of the state of Washington that I have read the foregoing and agree with all of its provisions and that all statements made are true and correct.
