AUTHORIZATION FOR 3RD PARTY REVIEW

Permit Number: _____

Applicant's name : _____ Applicant's telephone #: _____

Project Name & Address: _____

Applicant's Geotechnical Engineer's Name _____ License # _____

Engineer's Telephone #: _____

I hereby authorize the City of Bainbridge Island to contract with a geotechnical engineering firm of the City's choice to review the above referenced permit application per the below described procedures.

Applicant's Signature: _____ Date: _____

Third Party Review fees deposit will be due at time of submittal. These fees are in addition to normal plan review fees. If the Third Party Review cost is estimated to exceed the deposit amount the City will notify you and require the additional amount be deposited prior to authorizing the Third Party Review to proceed. All costs for Third Party Review must be paid before the permit is issued. You will be reimbursed any portion of the deposit not expended on the Third Party Review upon issuance of the associated permit. Changes in site plans, design elements or the geotechnical report may result in requiring an additional Third Party Review.
