I am requesting the court to grant my request for community service hours and/or a payment plan in order to fulfill my legal financial obligations.

X_____ I live on very low income and find it a hardship to pay the full legal financial obligations ordered by the court.

COMMUNITY SERVICE REQUEST:

X_____ I would like the opportunity to do community service and earn \$20/hour towards a portion of my legal financial obligations.

X_____ I understand that I must follow the community service rules ordered by the court.

X_____ I understand that I must complete my community service in the next six months.

PAYMENT PLAN REQUEST:

X_____ I request that the court set up a monthly payment plan so I may pay my fine over a longer period of time.

X_____ I understand that the court is not charging additional fees and interest to do this payment plan.

X_____ I understand it is my responsibility to pay each month and that I will not receive a bill or notice from the court.

X_____ I understand that I will NOT receive a bill from the court. I understand that if I fail to pay more than one month, my fines will be referred to a collection agency, which will result in costs and interest being added, a negative effect on my credit score, and possibly my driver's license being suspended.

X_____ I understand that if I am on a Pretrial Diversion Agreement or Deferred Prosecution I must pay the above listed costs in full by the end of the agreement in order for the court to dismiss or reduce the charges.

I certify under penalty of perjury under Washington State law that the above is true and correct.
